The Valedictory Oration was delivered by
James R. Verdeer. A. B.

QUESTIONS DISCUSSED BEFORE THE SOCIETY.

1. Is Life a forced state ?
Aff. Messrs. Warburton, Hillyer, Kissam and Miller.
Neg. Messrs. Murray and Dickinson.
2. In the Phlegmasia, is local inflammation the cause of general fever ?
Aff. Messrs. Delasfield, Dering and Belden.
Neg. Messrs. Dickinson, Miller and Murray.
3. Are there any medicines which have a specific effect in the cure of diseases ?
Aff. Messrs. Verdeer and Belden.
Neg. Messrs. Murray and Springsted.
4. Is irritation, as the proximate cause, sufficient to account for the symptoms and phenomena of fever ?
Aff. Messrs. Warburton, Bliss, Fowler and Griffin.
Neg. Messrs. Patterson and Belden.
5. Can Nosology be considered as beneficial to the science of medicine ?
Aff. Messrs. Warburton, Belden and Murray.
Neg. Messrs. Patterson, Joyce and Lansingh.
6. Does absorption take place from the surface of the body ?
Aff. Messrs. Griffin, Fowler and Belden.
Neg. Messrs. Gibbons, Graham and Helme.
7. Are there any medicines directly sedative in their operation ?
Aff. Messrs. Cadle, Graham and Miller.
Neg. Messrs. Dickinson and Belden.

8. Does any direct communication by vessels exist between the Mother and Foetus?

Aff. Messrs. Graham and Verdeer.

Neg. Messrs. Rodgers and Delafield.

9. Are natural causes sufficient to account for the varieties of anatomical structure observed in the human species?

Aff. Messrs. Charles Dickinson and Belden.

Neg. Messrs. Cornelius Dickinson, Dering and Patterson.

10. In fractures of the lower extremity, is the flex position preferable to the extended?

Aff. Messrs Billings and Joyce.

Neg. Messrs. Lansing and Patterson.

11. Is there a vacuum in nature?

Aff. Messrs. Dering and Belden.

Neg. Messrs. Seaman and Helme.

12. Is the stimulating treatment preferable in recent burns?

Aff. Messrs. Gibbons and Cadle.

Neg. Messrs. Seaman and Lansing.

13. Is the yellowness of jaundice ever owing to the regurgitation of bile?

Aff. Messrs. Upsold, Joyce, Graham and Murray.

Neg. Messrs. Griffin and Belden.

14. Are the functions of the heart independent of the brain?

Aff. Messrs. Murray and Delafield.

Neg. Messrs. Rodgers and Griffin.

At an Anniversary meeting of the *American Aesculapian Society*, the following gentlemen were elected officers for the ensuing year :

VALENTINE MOTT, M. D. Professor of the Principles and Operations of Surgery, *President.*
